## **1. Introduction**

### **1.1 Background**

- 1.1.1 To tie in with the policy objectives of tourism product diversification and attracting high-yield overnight visitors, the Government of the Hong Kong Special Administrative Region (“the Government”) announced in February 2017 the adoption of a new strategy to support the staging of events and activities of different scale and nature in Hong Kong, including, among others, introducing a pilot scheme to support tourism activities showcasing Hong Kong’s local characteristics. The activities should have tourism appeal and the potential to become signature events in Asia for visitors to experience our rich and diverse tourism offerings as *the Events Capital of Asia*.
- 1.1.2 The Government allocated additional funding to the HKTB to launch a pilot scheme to support tourism activities that showcase Hong Kong’s local characteristics and have the potential to generate good branding for Hong Kong, i.e. the Pilot Scheme for Characteristic Local Tourism Events (“the Pilot Scheme”).
- 1.1.3 This Guide provides information in relation to the submission of applications for funding support under the Pilot Scheme. Unless the context requires otherwise, the terms defined and expressions used in this Guide have the same meanings as those set out in the Application Form.

### **1.2 Objectives of the Pilot Scheme**

- 1.2.1 The Pilot Scheme provides funding support for event staging, marketing and promotion for visitor-targeted events that are related to arts, culture, festivals, dining and sports, and embody characteristics that are uniquely Hong Kong, with the aims of diversifying the city’s tourism product offerings; attracting local and overseas media coverage; increasing visitor arrivals; and enhancing visitors’ travel experience in Hong Kong.

## **2. Application for Funding Support under the Pilot Scheme**

### **2.1 Eligibility Criteria**

---

<sup>1</sup> All organisations that intend to apply for the Pilot Scheme must complete the relevant registration procedure before the application deadline. Applications submitted by organisations which have not completed the registration procedure will not be accepted.

<sup>2</sup> The applicant must be registered in Hong Kong under the Societies Ordinance (Cap. 151, Laws of Hong Kong), or incorporated under the Companies Ordinance (Cap. 622, Laws of Hong Kong) or its predecessor ordinance (i.e. the former Companies Ordinance (Cap. 32, Laws of Hong Kong)), or formed by statute in Hong Kong, or registered on the list of charitable institutions or trusts of a public character that are exempt from tax under section 88 of the Inland Revenue Ordinance (Cap. 112, Laws of Hong Kong).

governmental organisation, arts association or chamber of commerce) that will host an arts, culture, dining or sports event or festival (“Event”) in Hong Kong on one or more days from 1 October 2023 to 30 September 2024.

2.1.2 Subject to paragraph 2.1.3, the applicant must be the organiser of the Event and must provide documentary evidence of its non-profit-making status and bona-fide nature to the satisfaction of the Pilot Scheme Evaluation Panel (“the EP”).

2.1.3 A joint application (i.e. an application jointly made by two or more local non-profit organisations) is allowed, but the principal or lead organisation must be identified and be responsible for the application. Paragraphs 2.1.1 and 2.1.2 above also apply to joint applicants. All applicants must state clearly their respective responsibilities in the Application Form.

2.1.4 The proposed Event in the application must:

- (a) incorporate Hong Kong’s local characteristics or unique attributes;
- (b) attract total onsite attendance (including local and non-local attendees) based on the following funding levels:

- (e) be staged within the period from 1 October 2023 to 30 September 2024.

2.1.5 A proposed Event for which public funding will normally be earmarked under other Government funding sources or schemes will be considered. However, the applicant must provide full information of any granted public funding, including the name of the granted

scheme, the funding amount and the funding purpose for the EP's consideration and assessment. The EP may make reference to the provided information when considering the amount of funding support to grant.

- 2.1.6 Existing events which are financially “self-sufficient” will be considered only if comprehensive justification is provided to the satisfaction of the EP that the proposed Event's marketing campaign will be significantly amplified to increase the international profile of the proposed Event.
- 2.1.7 The following events are not eligible for funding support under the Pilot Scheme:
- (a) Regular community events, such as flea markets, bazaars, local sports meets, club gatherings, workshops, etc;

## **4. Funding Support**

### **4.1 Scope of Funding**

- 4.1.1 The Pilot Scheme funding support must be used solely to support the following Qualified Event Cost for the proposed Event:
- (a) Event marketing and promotion (which shall account for at least 50% of the Pilot Scheme funding) :
- Event marketing and public relations activities, including digital marketing, promotion via social media platforms, advertising in local and international media,

website production and language adaptation, and creative development and production of materials and collaterals;

- Hosting overseas media to come to Hong Kong to cover the Event;
- Collaboration and promotion with travel agents or hotels; and
- Other marketing and promotion expenses related to the Event, as approved by the EP.

(b) Event staging for the sole purpose of implementing the Event:

- The cost of leasing additional equipment for the sole purpose of implementing the Event;
- Venue rental costs for the sole purpose of hosting the Event;
- Production and presentation costs for the sole purpose of hosting the Event (e.g. production materials, talent fees, logistics);
- Insurance for the sole purpose of staging the Event but excluding Employees' Compensation insurance and insurance premium for purchase of Event cancellation, postponement or abandonment; and
- Other one-off non-recurrent direct expenditure for the sole purpose of staging the Event.

(c) Appointing a qualified survey company to conduct an independent onsite survey to gauge the following figures for post-event evaluation:

- Total onsite attendance at the Event;
- Non-local visitor attendance (by country of residence); and
- Satisfaction level with the Event for local and non-local attendees.

(d) Appointing a Hong Kong certified accounting firm to conduct an event audit to gauge the following information for post-event evaluation:

- Total Event Cost of no less than HK\$2 million (excluding in-kind sponsorships);
- Total expenses covered by the Pilot Scheme funding;
- The procurement procedures as set out in paragraph 4.6.9; and
- The level of acknowledgement of the Government and the HKTB.

4.1.2 The HKTB's total financial contribution to each approved Event will be capped at HK\$5 million, or 70% of Qualified Event Cost as listed in paragraph 4.1.1, or the amount of funding outlined in the Agreement, whichever is the lesser amount. The balance of the funding must be provided by the successful applicant. At least 50% of the Pilot Scheme funding must be used for Event marketing and promotion, and no more than 50% of the Pilot Scheme funding can be used for Event staging, onsite surveys and an event audit. The successful applicant will be required to provide funding from its own sources so that the total event cost is not less than HK\$2 million. The HKTB and the EP have the right to impose an appropriate level of sanctions on the successful applicant if the total event cost is less than HK\$2 million.

4.1.3 The applicant must explain whether and how it will raise funds (e.g. charging admission fees or soliciting sponsorships). The applicant must set out clearly in the Application Form the amount of funding to be provided from its funding sources.

- 4.1.4 The applicant must submit documentary proof of any secured sponsorships, in cash or in kind.
- 4.1.5 Should the applicant intend to make any special arrangements for returning any unused sponsorships or contributions in cash to any sponsor(s), it must state the arrangements concerned clearly in the Application Form. Prior written approval from the HKTB and the EP must be obtained before implementing such arrangements.
- 4.1.6 Subject to the prior written approval of the HKTB and the EP, the successful applicant must not seek or accept any non-Government financing, donations or sponsorships (whether in cash or in kind), which in the reasonable opinion of the HKTB and the EP, may bring the image or reputation of the Government, the HKTB, the EP or the approved Event into disrepute. The HKTB and the EP, in their absolute discretion, will decide whether or not to approve the non-government financing, donations or sponsorships.
- 4.1.7 The amount of Pilot Scheme funding support sought must be justified by a prudent, realistic and detailed operational plan, as well as a budget with justification for the proposed expenditure items. The applicant must set out clearly in the Application Form the planned expenses for staging the Event, including advertising, promotion and other items, as set out in paragraph 4.1.1., and no expenses will be paid from the Pilot Scheme funding for acquisition of equipment, maintaining the successful applicant's own operations or administration (including the cost of setting up or refurbishing an administration office, utility charges, entertainment expenses incurred by any members or staff of the successful applicant, general administrative costs, legal costs, office rental, staff transportation costs, fees related to the establishment or registration of the organisation, membership fees, or additional recurrent costs, such as maintenance of structures or equipment), or other expenditure not directly related to the Event's staging, marketing and promotion, and related survey and audit. In addition, staff costs (such as salaries, wages, and the related benefits), meals and gifts must not be paid by the Pilot Scheme funding. And no expenses will be paid from the Pilot Scheme funding for insurance for Employees' Compensation and Event cancellation, postponement or abandonment. Furthermore, prize money for the Event and expenses that arise from or relate to any Sponsor(s) must not be paid by the Pilot Scheme funding. And any expenditure item that is not listed in the Approved Application Form must not be paid by the Pilot Scheme funding unless prior written approval is obtained from the HKTB and the EP.
- 4.1.8 To avoid double subsidy, an applicant is not eligible under the Pilot Scheme if it receives full funding (whether in equity, loan financing, grant, sponsorship, or any other form) from the Government or other sources for the Qualified Event Cost of a proposed Event. If an applicant receives partial funding from the Government or other sources for the Qualified Event Cost of a proposed Event, it is eligible to apply for funding under the Pilot Scheme for the remaining balance unsupported by the partial funding. The application shall be subject to assessment and approval by the EP under paragraphs 2.1.5 and 3.3.2.

## 4.2 Acknowledgement of Funding Support

4.2.1 The successful applicant will be required to prominently feature the following items in all publicity materials for the approved Event (including but not limited to printed materials, backdrops, programme booklets, TV commercials, posters, website, online and offline advertisements, out-of-home media advertising, prizes and souvenirs):

- (d) the HKTB logo, plus the phrase “Supported by the Pilot Scheme for Characteristic Local Tourism Events 本地特色旅遊活動先導計劃支持活動”; and

All information about advertising, publicity and sponsor displays at event venues, including banners, boards, signs and stands, must be submitted by the successful applicant to the BrandHK Management Unit of the ISD and the Secretariat for written approval prior to finalisation. This information must include the dimensions, location, quantity and other relevant details of the displays.

4.2.3 The following disclaimer and/or such other disclaimer(s) must be included in all printed advertisements, programme booklets, websites, and any other publicity materials for the approved Event, as may be required by the HKTB or the EP:

4.2.4 The successful applicant must comply with any other acknowledgements or entitlements outlined in the Agreement.

### **4.3 Contractual Requirements with the Hong Kong Tourism Board**

The Agreement will prescribe in detail the rights and obligations of the successful applicant.
- 4.3.2 The successful applicant must obtain the EP's prior written approval of any changes to the financing arrangements of the approved Event, especially the financing arrangements related to the Pilot Scheme funding listed in the Agreement. The successful applicant must not assign or transfer the ownership or rights of the approved Event to any third party. Any such assignment or transfer will result in the funding being cancelled. The HKTB has the right to terminate the Agreement and withdraw all funding released to the successful applicant.
- 4.3.3 The successful applicant must immediately notify and seek approval from the EP if there is any subsequent variation or modification to any information provided in the approved Application Form or the related supporting documents: for example, if the successful applicant has secured other sponsorships or donations, particularly if such sponsorships or donations may bring the image or reputation of the Government, the HKTB, the EP or the approved Event into disrepute; if there are any changes to the financial arrangements for the approved Event (including any change in sponsors, the amount of contribution from any sponsors, or the approved Event's operational plan or budget); if there are any changes to the implementation timetable, the size or scope of the approved Event, or content or nature of the approved Event; if there are any changes to the marketing and PR plan; if there are any changes to the objectives, not-for-profit operation, registration status, business, nature, ownership, management or control of the successful applicant's company or organisation, and in particular a change in any directors or shareholders or other key personnel of the applicant's company or organisation or any member of the Event team; or if there is any other event(s) whose nature or content is similar to that of the approved Event that will be organised, sponsored or funded by the successful applicant in Hong Kong or overseas within six months before or after the date of completion of the approved Event or within six months after the termination of the Agreement.
- 4.3.4 The Agreement may contain any of the terms and conditions and matters referred to in this Guide, or other matters, including the governing laws, indemnity, warranty or confidentiality. The successful applicant will be required to comply with any confidentiality clauses the HKTB thinks fit, as provided for in the Agreement on using and protecting confidential information and other data (including any personal particulars, records or personal data (as defined in the Personal Data (Privacy) Ordinance (Cap. 486, Laws of Hong Kong)) and materials of any nature (in or on whatever media)) accessible by the successful applicant under the Agreement, or which the HKTB has disclosed, supplied, made available or communicated to the successful applicant.
- 4.3.5 The HKTB and the EP have the right to impose appropriate sanctions on the successful applicant if the applicant is or is considered in the opinion of the HKTB or the EP to be unable to deliver or carry out the approved Event (whether or not this is outside the control

of the successful applicant) by the due date specified in the Agreement if the performance of the successful applicant in organising the approved Event is considered by the HKTB or the EP to be unsatisfactory in any way; if the successful applicant fails to achieve the pre-determined targets or deliverables of the approved Event; if the successful applicant breaches any terms or conditions of the Agreement; or if there are any material variations or changes under paragraph 4.3.3. The decision regarding the level of sanctions by the HKTB and the EP is final and absolute. There is no appeal mechanism.

Four types of sanctions could be applied in cases of non-compliance:

- (a) A written warning;
- (b) Suspension from future applications of the Pilot Scheme and other funding schemes administered by the HKTB;
- (c) Financial sanctions (i.e. deduction of funding). A deduction from the total funding of at least 5% and up to 30% will be imposed, depending on the level of violations and subject to the decision of EP, whose decision is final and conclusive. There is no appeal mechanism; or
- (d) Termination of the Agreement and withdrawal of all funding released to the successful applicant.

Having regard to the seriousness of the non-compliance in individual cases, the EP may impose one or more types of sanctions on the successful applicant.

- 4.6.17 Once a conflict of interest situation is noted, the successful applicant must promptly resolve or remove the risk arising from the conflict of interest by assigning another staff member to handle the matter, by closely monitoring the staff member concerned, etc. The successful applicant must also record any remedial action(s) taken and proposed remedial action(s) or resolution(s) in the Declaration of Interest Form and submit it promptly to the Secretariat.
- 4.6.18 If required by the HKTB, the applicant must have its Project Co-ordinator, its Deputy Project Co-ordinator and each of its directors, employees, contractors, sub-contractors, agents, consultants and other personnel of the applicant and each of their respective associates and associated persons who are in any way involved in the approved Event execute a legally binding written undertaking in favour of the applicant and the HKTB jointly and severally in a form prescribed by the HKTB, agreeing to observe paragraphs 4.6.15 to 4.6.17 above. The successful applicant must provide the original or certified true copies of all such undertakings to the HKTB, as may be required by the HKTB. **Note for Auditors of Grantees**

1. Under the Funding Agreement between the Hong Kong Tourism Board (“HKTB”) and the Grantee(s) in respect of Pilot Scheme funding support, the Grantee is required to submit Audited Accounts<sup>1</sup> to the Secretariat Office (“the Secretariat”) of the Pilot Scheme for Characteristic Local Tourism Events, according to the stipulated timeframe. The Audited Accounts must be submitted to assure the HKTB that:
  - (a) the income from the Event and the Pilot Scheme funding support was fully and properly applied to the Event for which the Grantee was paid, and was received and expended in accordance with the pre-agreed Financial Requirements; and
  - (b) the Grantee complied with the funding terms and conditions in the administration, management and use of funds for the Event.

This note provides a guide for the Auditors appointed by the Grantee to conduct reasonable assurance engagements and prepare the Auditor’s Report.

2. In conducting the reasonable assurance engagement, the Auditors should perform all procedures they consider necessary in the circumstances and obtain all the information and explanations that they consider necessary to provide them with sufficient evidence to draw a conclusion as to whether the Grantee has complied with, in all material respects, the requirements set by the HKTB (including the requirements to keep proper books and records and to prepare audited accounts of the Event), and all the terms and conditions of the Pilot Scheme funding support (including but not limited to the requirements on procurement procedures and sponsorships), as specified in the following documents:
  - (a) the Funding Agreement between the HKTB and the Grantee in respect of the Event and the Schedules and Appendix thereto, including:
    - total event costs (event marketing and promotion, event staging, event management and other support) of no less than HK\$2 million (excluding in-kind sponsorships);

---

<sup>1</sup> The Audited Accounts must comprise a Statement of Income and Expenditure, a Statement of Financial Position, a Cash-flow Statement, Notes to the Accounts and an Auditor’s Report.

- total expenses covered by the Pilot Scheme funding (Scope of funding in the Funding Agreement between the HKTB and the Grantee);
  - the level of acknowledgement of the Government and the HKTB; and
- (b) the relevant procurement mechanism (if applicable, and the tendering process) used by the Grantee, as set out in the Application Form, with reference to paragraph 4.6.9 in the Guide to Application.
3. The Auditors should comply with the Hong Kong Standard on Assurance Engagements 3000 (Revised), titled “Assurance Engagements other than Audits or Reviews of Historical Financial Information and Related Conforming Amendments”, issued and updated by the Hong Kong Institute of Certified Public Accountants (“HKICPA”) from time to time, as well as all relevant Accounting Standards, Accounting Guidelines and Auditing Standards, issued and updated by the HKICPA from time to time. The following information is required in the Auditor’s Report prepared by the Auditors for submission to the HKTB:
- (a) the Auditors should state whether, in their opinion, the Grantee has complied with, in all material respects, the requirements set by the HKTB (including the requirements to keep proper books and records and to prepare audited accounts of the Event), and all the terms and conditions of the Pilot Scheme funding support (including but not limited to the requirements on procurement procedures and sponsorships), as specified in the documents mentioned in paragraph 2 above;
  - (b) if the Auditors are of the opinion that there exists any material non-compliance, as identified in paragraph 3(a) above, they should make full disclosure and quantify the effects of this non-compliance in the Auditor’s Report; and
  - (c) if the Auditors are of the opinion that the Grantee has not kept a proper and separate set of books and records for the Event, or has not properly prepared the Event accounts, or if the Auditors are not able to obtain all the information and explanations considered necessary for the purpose of their reasonable assurance engagement, they should make appropriate qualifications in the Auditor’s Report.
4. The Auditors should plan and conduct reasonable assurance engagement to satisfy the requirements of paragraphs 2 and 3 above. If there is any ambiguity regarding the terms and conditions contained in the Funding Agreement of the Event, the Auditors should seek clarification from the Secretariat of the Pilot Scheme. Any unreasonable reservation or denial of conclusion, such as comments about the ambiguity of the Financial Requirements expressed by the Auditors in the Auditor’s Report will be returned to the Grantee for rectification and re-submission.

5. During the course of their reasonable assurance engagements, the Auditors may come across weaknesses or a breakdown in internal controls that is considered material. They should bring to the Grantee's attention the details of the weaknesses or breakdown and provide the Grantee with their recommendations for improvement by setting them out in a letter to the Grantee. This letter should be copied to the Secretariat of the Pilot Scheme for reference and action as appropriate.
