

Report 2018

Box of Hope is a Hong Kong based charity (Reg No: 91/9824) with the aim to bring the idea of giving and charity to Hong Kong School children through the giving of presents, to children living in poverty in Asia. Run completely by volunteers with the support of the Hong Kong Community, Corporations and Schools.

In 2018 we had a record number of 35,242 boxes going to 49 registered charities for 35,242 children in need.

Who Gives

150 Hong Kong Schools and Kindergartens

For a month each year Box of Hope touches a large portion of the Hong Kong Community. Every year we add more schools and kindergartens to the participating list. It is through the schools we are able to inform the children about the charity, hand out the box sticker for each child to take home. Then the filled boxes are brought back into school. It is an ideal opportunity to have the charity conversation with children of a young age.

The Box of Hope Logistics team then arranged collection from all the schools.

32 Corporations

In 2018, 32 Corporations joined the Box drive. These companies are using Box of Hope as a team building and CSR project. The can be as big or little as the corporations wish and is easy to manage.

It would not be possible to run the logistics of the box collection without the involvement and support of the following companies:
