# TOTAL FUNDS RAISED

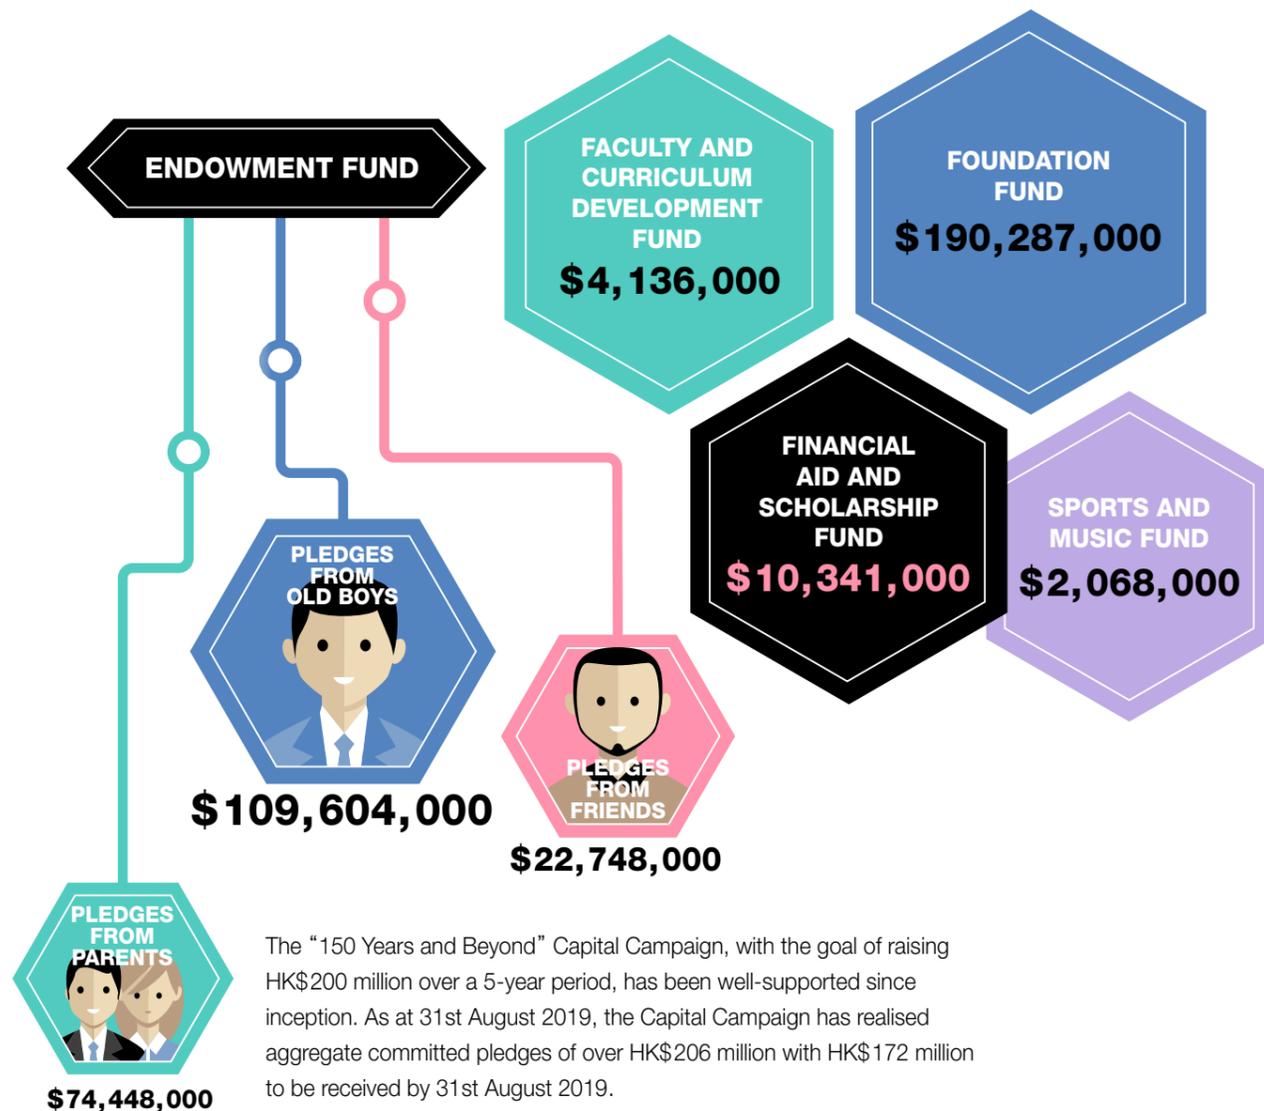

## SINCE INCEPTION TO 31ST AUGUST 2019

# ENDOWMENT FUND

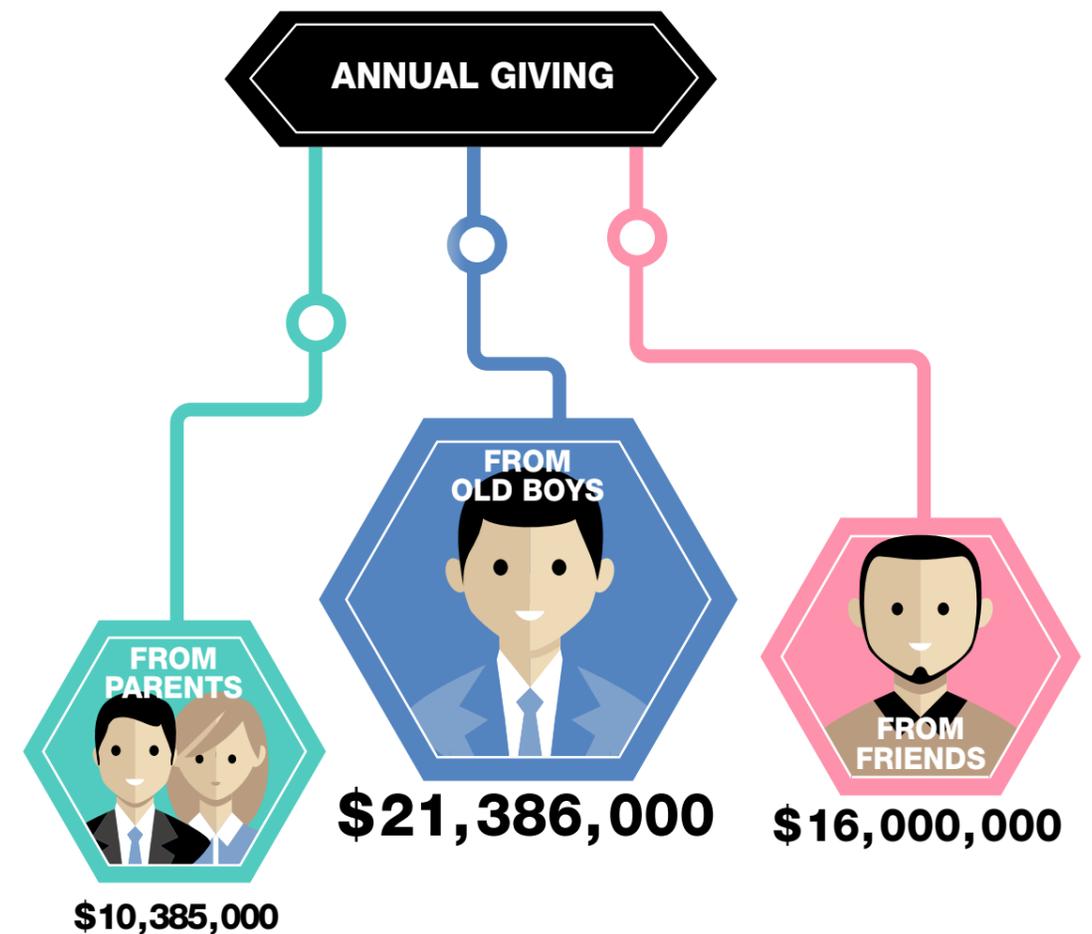

The Endowment Fund created from the "150 Years and Beyond" campaign through the generosity of donors is a true demonstration of the DBS community's dedication and vision, contributing a strategic and important portion of the School's operating budget each year, and ensuring the best possible experience for DBS students of the future.

## ENDOWMENT FUND- BREAKDOWN BY SUB-FUNDS

# ANNUAL GIVING

Every gift, regardless of size, takes the School closer to its objective. A regular contribution is a bold statement of the donor's commitment to the future of our School. It is a direct way of upholding the School's fine tradition of providing an all-round education to our students and preparing them to face the challenges of the world.

The Annual Giving Programme was first introduced to the Primary Division and subsequently expanded to involve Old Boys and friends of DBS. For the year ended 31st August 2019, contributions and commitments of approximately HK\$47.7million were received. The total amount included Facility Gifts and Class Gifts.

# OUR PROJECTS

The Foundation has continued to fund projects for improving teaching quality, learning environment, and student support to both academic and extra-curricular activities.

In the Primary Division, HK\$2 million was channelled to various e-learning solutions and related infrastructure, including 448 i-Pads, CLS and ALS student licences, smart cases and server installation. In March 2019, a classroom extension project of a substantial scale was completed.

The major work commenced in the Secondary Division was the establishment of two new laboratories, D-Lab and I-Lab, in the Secondary Division. These are essential facilities for the Innovation and Design Curriculum in the area of STEAM education, two laboratories for STEAM education in the Secondary Division. The total cost of the whole project is estimated to be HK\$11 million.

Proceeds from Annual Giving were also deployed to subsidise sports coaching fees, boarding school and staff costs, amounting to over HK\$4 million. Other key projects included the construction of a new student activity centre in the covered playground and upgrade of classrooms and equipment, amounting to approximately HK\$3 million.

Other major projects completed are highlighted below:

## Primary Division

- Ongoing slope and landscape enhancement and increase in greenery coverage
- Subsidising Extended Learning Weeks and STEAM training for senior forms
- Purchase of equipment for STEAM education curriculum
- Student Artwork Support Programme and Student Wellbeing Project
- Staff training including the attendance of overseas programmes
- Replacement of air-conditioners in the Library
- Purchase of sports equipment

# INVESTMENT REPORT

Our current investment policy and strategy for Endowment Funds is to achieve an aggregate annual net return of 4% on the investments. These funds would be used solely to support the School's initiatives and activities. In addition, securities and investments offering longer term capital appreciation are also considered.

The Foundation's financial year ends on 31st August. As at 31st August, 2019, approximately HK\$172 million in endowment donations were received, of which HK\$129.4 million were invested in quoted shares (HK\$86.0 million), investment funds (HK\$23.1 million) and bonds (HK\$20.3 million). The balance was held in bank and time deposits. The amount of interest/dividend received and receivable in 2018/19 was approximately HK\$5.7 million. Unrealized loss on investments amounted to HK\$4.8 million as at 31st August 2019.

# 150TH ANNIVERSARY

The Foundation coordinated the DBS 150th Anniversary Programmes for the School in 2018/19 and 2019/20. The annual Homecoming Concert was converted into the Anniversary Concert and held in Hong Kong Cultural Centre. Three of Foundation's annual Fund Raising Events for the 2018/19 academic year namely Tennis Day, Planting Day and Fun Run were suspended.

The following programmes in academics, arts, culture, music and sports were held in celebration of the School's 150th Anniversary, and following are some highlights:

## Inauguration Ceremony, 12th January 2019

An official commencement of 150th Anniversary celebrations with an inauguration ceremony attended by students, staff, alumni and friends of DBS. This was ended with an illumination ceremony that lit up the campus.

On 12 January 2019, the School officially commenced 150th Anniversary celebration with an inauguration ceremony in the presence of the Honourable Mrs. Carrie Lam Cheng Yuet-ngor, the Chief Executive of the Hong Kong Special Administrative Region, and attended by students, staff, alumni and friends of DBS. The day also marked the groundbreaking for the DBS Foundation Pavilion, to be named "Road to 150" and located opposite the Main Building, celebrating the School's sesquicentenary. To top it off, the night ended with an illumination ceremony that lit up the campus and the night sky with radiant colours!

## DBS 150 Run, 31st March 2019

A cross-generational relay race for PD, SD students and Old Boys, bringing to life the message of perpetuation, and as proclaimed by the name of the event — 代代傳承拔萃跑。

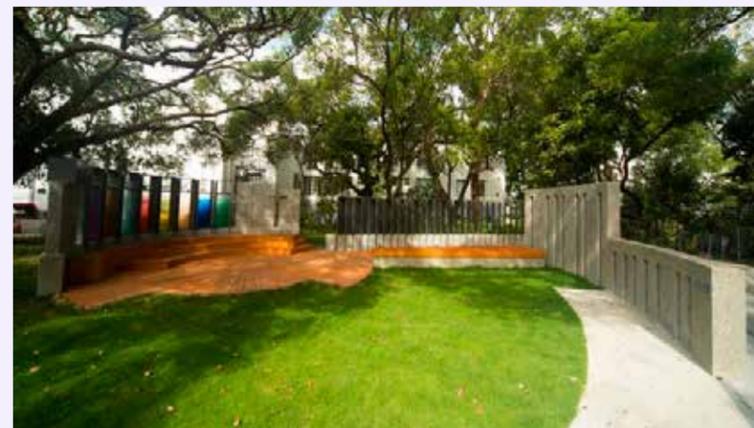

## Football Celebration, 31st March 2019

## DBS Foundation Pavilion — Road to 150

The groundbreaking for the DBS Foundation Pavilion located opposite the Main Building, celebrating the School's sesquicentenary was held on the same night. The Pavilion, named "Road to 150", celebrates 150 years of excellence in education and symbolises the establishment of DBS Foundation since 2012.

## 150th Anniversary Concert, 10th & 11th July 2019

Generations of DBS musicians – primary, secondary, and alumni – collaborated to put on a display of their craft being lovingly developed through hard work and dedication, in two concerts held at the Hong Kong Cultural Centre. The event culminated in a grand finale conducted by our Headmaster Mr. Ronnie Cheng – Beethoven's Symphony No.9, 'Ode of Joy', celebrating the unity of mankind.

## Soap Box Race, 8th May 2019

A first of its kind soap box race for student drivers donning full-on race. It was followed by a Classic Car Exhibition – 8 cars for 8 Houses!

## Thanksgiving Service, 18th May 2019

A Thanksgiving Service for our 150th Anniversary was held at St. John's Cathedral. The Archbishop gave the congregation a sermon and blessing, and all rose to sing our School Hymn.

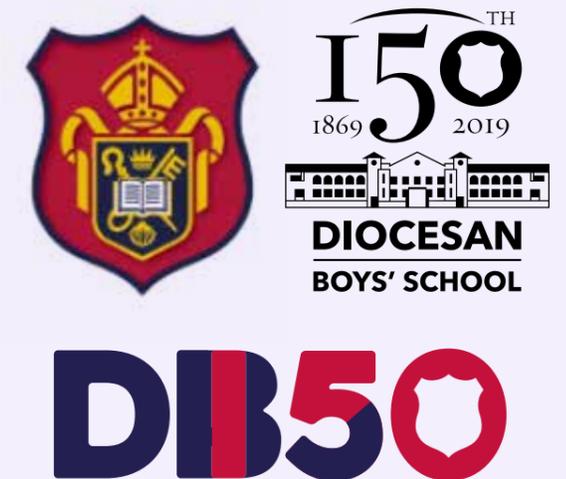

## Logo Design Competition, February-May 2018

A platform for creativity opened for students of Primary Division and Secondary Division. The panel of judges, comprising of school management, teachers, academics and expertise in art, selected six winning pieces. An award presentation ceremony, followed by an exhibition of winning pieces in Art Gallery of Auditorium, was conducted in May 2018.

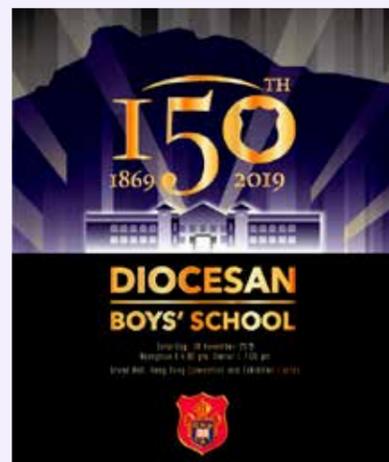

## 150th Anniversary Logos

Two logos exclusively designed for the 150th Anniversary programmes – one representing the prominence of the main building's architecture and the year of establishment and 150th anniversary theme with school logo outline subtly embedded, one for a tender design featuring a romantic marriage of 150 digits and DBS originated from the winning design of logo design competition.
